Comments in italics are the original Spanish and an English equivalent.

“For me the English lessons are the most productive thing that I did because now I can speak English very well and that help me a lot, for example help me in my work. And apart that I learnt English, I learnt many things from my teachers. Now my main idea is to reproduce everything that I learned from the English programme. Thank you very much.” Edwin Antonio Gutiérrez Talvera

El programa de ingles en la actualidad podemos decir es uno de los programas mas productivas en Mirafior debido a que actualmente tenemos guias que pueden comunicarse con los visitants que visitan la Reserva lo que ha venido a facilitar desarrollar de sus actividades como guias locales. Gracias al programa de ingles.

The English project has been one of the most effective projects in Mirafior. We now have guides who can communicate with visitors in English and this has helped them in their development as qualified local guides. Thank you to the English project

“I think this intensive course was a fantastic experience because we had to learn about many things. But there is a special thing we enjoy it. In the next year I want to be a teacher and I learnt how to make a plan for to teach.

Thank you very much for this opportunity. Now we can have many ideas for the life: for example

- How to solve problems
- To think quickly
- To share ideas with others

We can work more and better in the life if we are together.

Thank you for the teachers and Maggie Jo. We are going to take advantage of this time to put it in practice.” Deylin del Carmen Romero Blandon

“The English Project has been a great help for all of us and I think that now that we know more English we can teach the people from our community. Also I want to thank all the English volunteers that had helped because I think that they has helped us with all the heart. Thank you for the time that you had spent teaching me; I wish you good luck in your life.” Lots of love from Nelvis

I hope that when you return to Nicaragua you can find a lot of people who have learnt English with my help.” Nelvis Yanibel Pinell Rugama

“I think the English project is very important because we can speak with other people of different countries and that help me for my study because I dreams with speak much language I want to study International relations. Thank you Maggie Jo and every teacher. I hope I can see you soon.

El proyecto de ingles es lo mas bueno que podria hacer una persona. Gracias por tener paciencia. Esperamos no se olviden de nosotros. Siempre los tendremos en nuestros corazones de verdad. Mucas gracias

The English project is the best thing someone can do. Thank you for your patience. We hope you never forget us. We will always hold you in our hearts.” Zeydi Indira Rodriguez Iglesias

“It is important to study English to join people for the contact and try knowing people from different countries.

Lo que ese la programa de ingles es muy importante especialmente para los jovenes porque también puede ser una base fundamental para conocer de otros paises.

The English project is an important way for young people to learn about other countries.” Alexander Sanchez Blandon

Comments on the intensive course held 4-8 December 2006

Veronica Maria Talavera Talavera

I like the games and also I like the exercise for in the morning. . For me this intensive course is very important because I learned very much thing that no know.

This course was very fantastic because the teacher are friendly.

Egna Antonia Castillo Rugama

Thank you for the teachers who are very friendly. We are pleased. See you soon.

Thank you for the opportunity was very important

Arielka de los Angeles Torres Cornejo

This English project is very good because we are going to learn much English with you. I like much this course of English because before we not speaking English and now yes can speaking a little of English.

Thank you very much for help us with the English project. The English project is very important for we because we can working with people of different countries who don't speak English

Marlon Jesús Villarreyna Acuña

Thank you very much. The intensive course is very important for us because we can to speak with people the other country.

I want to learn English because I will like to teach in the future. The English project is important because many people in Miraflores can study.

Thank you to all the people that support this project because are helping so many people. The voluntary teachers are working a lot with the students in the different communities in Miraflores.
